

TO GET YOUR ADDRESS CHANGED,
PLEASE CONTACT
BRUNSWICK COUNTY AND THE
TOWN OF OAK ISLAND

One of the most frequently asked questions at Town Hall is: How do I change my mailing address to ensure that I receive important mail and information from the Town? It's a two-step solution:

- **First**, notify the Brunswick County Tax Department of your address change. (910-253-2829)
- **Second**, contact the Customer Service Department at Town Hall and ask them to change your address on your utility record and in your assessment records. (910-201-8001)

Annually, Oak Island uses the Brunswick County tax database for tax billing purposes. The annual database overrides all address information stored in the Town's computer database – even those addresses we have changed prior to the annual tax billing.

Brunswick County and the Town of Oak Island must be informed of all address changes to ensure that you receive all Town mailings.
